

Welcome, from Brickfields, Greenwood and Kingsway Surgeries

This is the fourth edition of our joint newsletter to inform South Woodham Ferrers residents, including everyone registered at one of our surgeries, about our move to Crouch Vale Medical Centre.

We are excited that the September opening is now approaching and we will share the final opening date as soon as possible.

You can continue to go to your current surgery for a few more weeks and we will be in touch nearer the time to let you know when our services are moving.

In the meantime, public transport services to the medical centre have been improved in preparation for the medical centre's opening.

Read on to find out more.

First Essex Bus Service update

From 1st September 2019, First Essex will introduce service amendments for the Monday to Friday and Saturday timetables, improving local connections within South Woodham Ferrers and the new medical centre.

The 36 Service will now operate via Broughton Road throughout the late afternoon and early evening, Monday to Friday.

Occasional journeys, numbered as 36A, will divert via the western section of Inchbonnie Road, complimenting the existing 94 and 94A journeys that operate this section of route.

One early evening journey to Chelmsford omits Baddow Road numbered as 36B.

The Saturday early evening timetable will also be revised to improve services.

The timetable details are as follows:

- 36, 36A and 36B services – www.firstgroup.com/uploads/news-attach/Service%2036-36A-36B%20-%20Chelmsford_0.pdf
- 94 service – www.firstgroup.com/uploads/maps/Service_10_13_14_94_Basildon_WEB_Sept2018_0.pdf

Photos from the site

While we finalise our plans for the move, we thought you might like to see some images of what the new medical centre looks like, inside and out. You have already seen one on the previous page, but we are really pleased at how modern and spacious the facilities are compared to our current premises. You'll soon be able to see it for yourself, too.

Extended Access is moving with us

Saturday appointments for routine GP surgery services on Saturdays, known as Extended Access, launched in South Woodham Ferrers earlier this year, hosted by Greenwood Surgery.

After Greenwood joins Brickfields and Kingsway Surgeries at Crouch Vale Medical Centre, your local Extended Access Saturday service will move there too.

Over the weekend of the surgeries' move, though, Extended Access appointments will be at a different venue. We will keep you posted on details.
