### **Brickfields and Kingsway Surgeries working together in Partnership**

We are pleased to inform you that as from Monday 11<sup>th</sup> November 2019, Dr Susan Mathew and

Dr Krish Krishnamurthy, who run Kingsway Surgery in the town, are joining Dr Suzanne Everett as Partners of Brickfields Surgery.

This exciting Partnership will enable Dr Everett's fellow GPs to run the two surgeries in parallel. Patients at both surgeries will continue to see the same staff they usually see and no changes to staffing are planned at this current time.

Thank you
